International Artist Positions

June 14 - 17, 2018

Rhypark, Basel / Switzerland

Info:

A meeting space for art lovers.

RHY ART FAIR is a young international contemporary art fair, developing the artist-to-public relationship during the great art week in Basel. RHY ART presents from 14 to 17 June 2018 works of newcomers and established artists: paintings, sculptures, art photography, digital art, and much more in the Rhypark Hall Basel.

In June 2018, Rhypark Basel will be again a meeting place for art lovers. For passionate art collectors and art enthusiasts RHY ART is the perfect complement to the simultaneously held great art fairs and events in Basel. RHY ART is an attractive art market place. Set in a beautiful location, RHY ART FAIR brings modern art closer to art lovers and collectors.

The fair is centrally located, only 7 minutes from the Art Basel fair-ground (direct tramway) and just 15 minutes from the international central station Basel SBB. The international EuroAirport can be reached within 20 minutes.

Since his creation in 2015, RHY ART has become a reliable springboard for artists. Artists from 25 countries have already exhibit their artworks at the Rhypark Basel. The increasing volume of sales and important contacts have created a business-friendly atmosphere between the exhibitors. These exhibitors took also advantage of repeat business, with visitors coming back and asking for more. Visitors are mostly international collectors, gallerists and curators, who enjoyed the young and positive atmosphere around great artworks, in a central and exclusive event area on the banks of the river Rhine.
